## South Main Design Challenge Semi-Finalists Announced

06/18/2013

2 Comments

The South Main Design Challenge is an initiative by the Downtown Memphis Commission to generate creative ideas for seven vacant or underutilized spaces and buildings in the South Main neighborhood.

Over the past several months, several teams have contributed ideas for short and long term solutions for seven underused spaces. Concepts were unveiled at South Main Trolley Nights and reviewed by a panel of judges.

After months of competition, the semi-finalists have been announced! One semi-finalist from each site will be selected to move on to the final competition. The Design Challenge Winner will be announced soon and receive a check for \$1,000!
